

SPARROW LIFE-CARE (P) LIMITED

MANUFACTURER OF PREMIUM BATH, BODY AND HAIR PRODUCTS

ABOUT US

CUSTOM MANUFACTURING

Sparrow's is involved in custom manufacturing of personal care products. We collaborate with leading brand owners, right from concept creation to shipping the finished product. We offer a comprehensive range of products across segments like skin care, hair care, baby care, body care, men's grooming, and all types of soaps. We have a huge library of ready formulations, which can help reduce the time-to-market for our partners. Our team of formulators is well informed about the latest trends in the market and is quick to introduce these concepts to our clients.

MORE THAN 12 YEARS IN THE MARKET

We take immense pride in our team of skilled and dedicated professionals who are passionate about creating exceptional products formulations. From RESEARCH and DEVELOPMENT to PRODUCTION and PACKAGING, every process is meticulously executed with attention to detail and precision. At SPARROW, we prioritize sustainability and environmental consciousness. We utilize sustainable sourcing practices and implement eco-friendly manufacturing processes to minimize our carbon footprint. Our commitment to sustainability goes hand in hand with our dedication to delivering high-quality products to our high valued customers. Furthermore, our factory consistently stays ahead of the latest industry trends, continuously striving to introduce innovative and revolutionary personal care products.

COMPLETE TRANSPARENCY

We provide complete end-to-end project management services right from concept creation to regulatory approvals to manufacturing and shipping the final product. We believe in collaboration and complete transparency in all our dealings. It embodies PASSION, SUSTAINABILITY, INNOVATION, and CUSTOMER-CENTRICITY. With an unwavering commitment to excellence, we continue to redefine our product range by offering unparalleled quality and unique formulations.

OUR MISSION
